Kiron Floor Lamp

By Lumen Center Italia

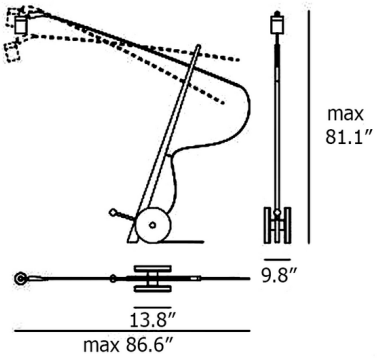

CE

Description

The Kiron Floor Lamp takes its name from the centaur of Greek mythology, who was known for teaching legendary heroes such as Hercules, Achilles, and Jason. Just as its namesake provided wisdom and guidance to the Greeks, the Kiron Floor Lamp will illuminate any interior with style. The lamp's metal arm, which can be raised or lowered to adjust the light, is supported by an angled oak body for a striking aesthetic. White Carrara Marble wheels provide a decorative and functional accent with a luxurious touch. Push dimmer button located on lamp's body.
