MCP Floor Lamp

By Lumen Center Italia

Description

The MCP Floor Lamp takes its name from the acronym for Merci Chateau Pierre, as an ode to 20th century French architect and designer Pierre Chateau. Originally designed in 1979, the lamp's pure geometric lines give it a timeless appeal with an industrial edge. Light is directed upward from integrated LEDs within the lamp's curved cap, providing dramatic uplight. Dimmer footswitch located on cord.

Shown in matte white

Specifications
