Alessandra Tropical Ceiling Fan By Matthews Fan Company

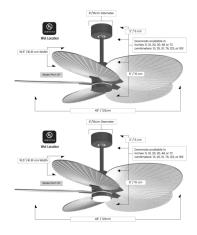

Description

The Alessandra Tropical Ceiling Fan features a classic palm leaf form with a twist. Offered in a variety of blade finishes, including an assortment of pastels, this thoughtfully crafted, versatile fan complements any aesthetic and quietly delivers powerful airflow with its DC motor for a comfortable environment. Features all weather ABS blades for use in wet locations. The fan is available with or without a light that provides diffused ambient illumination. The light is dimmable and features adjustable color temperature (CCT). Color temperature options are 2700K, 3000K, 4000K, 5000K, and 6500K. A handheld remote control is included for setting motor on/off, 6 speeds and forward/reverse. The remote also enables light on/off, dimming and color temperature adjustment for the with light option. .Optional accessories are sold separately.

Shown in brushed brass / light yellow
