Ariella Ceiling Fan
By Matthews Fan Company

C

Description

Elevate your space with the Ariella Ceiling Fan, a sleek, contemporary centerpiece featuring an eight-blade design and quietly delivers superior airflow with its DC motor for a comfortable environment. Offered in a variety of finish combinations to complement any indoor or outdoor decor. Features all weather ABS blades for use in wet environments. The fan is available with or without a light that provides diffused ambient illumination. The light is dimmable and features adjustable color temperature (CCT). Color temperature options are 2700K, 3000K, 4000K, 5000K, and 6500K. A hand-held remote control is included for setting motor on/off, 6 speeds and forward/reverse. The remote also enables light on/ off, dimming and color temperature adjustment for the with light option. Optional accessories are sold separately.

Shown in brushed nickel / barn wood tone
