### Description

The Dawn Plug-in Wall Light brings a clean industrial vibe to your interior space. An opening at the top of the dome shaped shade, allows light to shine through the opening while providing functional light below. This break in the form is supported with straps and decorative rivets in complementary finishes for a subtle tasteful two-tone finish. Integrated On/Off switch is located on the backplate. Includes a two foot cord cover that can be removed to hardwire if you choose.
