Giraffe Tablet Floor Lamp

By Rispaal

Description

Designed in 1952, the Giraffe Tablet Floor Lamp was named for its curved silhouette and elongated neck, which create an elegant, avant-garde look that embodies the spirit of designer Francois Rispaal. The lamp's solid wooden frame features a rectangular tabletop and is supported by sleek metal legs. A rectangular fabric shade completes the look with a neatly tailored accent. On/off switch located on cord.
