Phasme Table Lamp

By Rispal

CE

Description

Inspired by the classic Rispal designs of the 1950s and 60s, the Phasme Table Lamp is the first model of the relaunched Rispal brand. Like the iconic Praying Mantis Floor Lamp which preceded it, Phasme features an opal glass shade suspended from a gently curved, solid wood frame. Slim metal legs capped with wooden feet provide support, as well as an intriguing visual accent. On/off switch located on cord.Note: All lamps are supplied with a Anthracite Grey fabric cord as standard, rather than the colored cords shown in some images. White, Green, Red, or Burgundy cords are available on request (upcharges may apply).
