Bounce Pendant

By tossB

Description

The Bounce Pendant offers a timeless look with a slim, circular metal frame supporting an array of opal glass globes. Each globe houses an integrated LED light source, which has been specially developed to ensure the different sizes of globes are equally bright. When multiple pendants of different sizes are installed together, dazzling, overlapping installations can be created. The 18.7 and 26.6 inch sizes are available with Small shades, Medium shades, or one Small, one Medium, and one Large shade. The 34.4 inch size is available with all Small shades, all Medium shades, two Small and two Large shades, or one Small, two Medium, and one Large shade. TRIAC dimmable. Note: The Small/Large Shades option is only available in the 34.4 inch size.
