IC T3 Maxi Table Lamp By FLOS

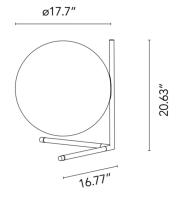

Description

Command attention with the majestic presence of the Flos IC T3 Maxi Table Lamp, a masterful design by Michael Anastassiades. This grand fixture embodies minimalist elegance, featuring a perfectly balanced opal glass sphere seemingly floating on a sleek, refined steel frame. When illuminated, the globe emanates a luminous, diffused glow, casting a captivating presence that transforms any space. The integrated dimmer switch on the power cord allows you to precisely control the light's intensity, enabling you to create anything from a subtle ambiance to a radiant centerpiece. The T3 Maxi is an amplified version of the beloved IC series, designed to make a truly commanding statement in larger living areas or as an impactful sculptural element.
