# Saule Multi Light Linear Pendant

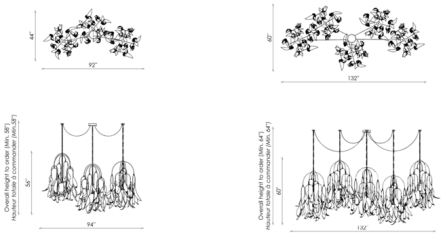

By Larose Guyon

## Description

The Saule Linear Multi Light Pendant offers the tranquil beauty of the natural world with an elegant silhouette recalling the curving branches of a willow tree. A cascade of hand-formed brass leaves are suspended from a mobile-like structure, which will gently move in the breeze like leaves on a tree. The leaves surround pink glass globes with integrated Warm Dim LED (2700K to 2200K) to provide soft, warm illumination while accenting the reflections and shadows of the brass leaves. The chain length is not adjustable and is specified to order in 3 inch increments up to 120 inches maximum.
