Up and Down Deck Light 12V - Overstock By Kichler

Description

The Up and Down Deck Light features a simple, unobstrusive profile, blending well in to outdoor spaces of any style. Install it on a deck post or patio wall to add an uplight and downlight for ambient illumination. Note: A transformer is required, sold separately. This fixture is to be used only with a transformer rated a maximum of 300W (25 amps) 15V. The fixture does not mount to a standard junction box.
