Flare Horizontal Multi Light Pendant By Bomma

Description

The Flare Horizontal Multi Light Pendant combines the craftsmanship of traditional Czech glassmaking with modern LED technology to create an elegant and versatile fixture. The pendant's clear crystal rods house a white glass spiral which is illuminated by the integrated LED to produce stunning lines of light. The combination of curved and straight glass rods creates a dazzling display from minimalist components for an elegant modern look.Note: Due to the weight of the fixture, additional ceiling support is required for the 105.3 inch size.
