Flare Chandelier Multi Light Pendant By Bomma

Description

The Flare Chandelier Multi Light Pendant combines the craftsmanship of traditional Czech glassmaking with modern LED technology to create an elegant and versatile fixture. The pendant's clear crystal rods house a white glass spiral which is illuminated by the integrated LED to produce stunning lines of light. In this configuration, curved rods radiate outwards to create a dazzling, bell-like structure of glass and light. Note: Due to the weight of the fixture, additional ceiling support is required for the 75 inch size. Canopy in White finish.
