Parade Tall Shelf By Ferm Living

Description

The Parade Tall Shelf draws inspiration from the nostalgic Danish furniture pieces known as saettekasser which were traditionally used to display small heirlooms. This modernized take on the design features an asymmetrical grouping of shelves of varying depths perfect for displaying framed photographs or decorative objects.

Available in painted MDF or Oiled Oak veneer with an MDF core. Maximum weight capacity of 11 pounds when installed with proper hardware for the wall.

Shown in cashmere
