## Facet Drum Table Lamp

By Jef Designs

### Description

The Facet Drum Table Lamp has a sleek, sculptural shape that fits well in modern spaces. In this multifaceted design a colored crystalline structure grows along the edge of a wood-grain background that is printed on a crisp white linen drum shade sitting atop a walnut veneer base. Printed on white linen and translucent when lit, these table lamps provide warm illumination while adding an organic modern touch to your home. On/off switch on cord.
