Beautiful Mess Pendant

By Karman

Description

The Beautiful Mess Pendant draws inspiration from assemblage, an artform that involves combining found or seemingly unrelated objects into a three-dimensional, sculptural structure. Beautiful Mess is centered around an ornate, traditional chandelier frame draped with a variety of cords and light fixtures of different styles for a chaotic but playful look. From a classic lantern to a linear LED strip, the variety of hidden treasures within Beautiful Mess will add an enchanting touch to any interior.

Shown in matte white / frosted
