Spiro Wood Veneer Pendant

By LZF

Description

The Spiro Wood Veneer Pendant, designed Remedios Simon, is a nod to the genre of op art developed in the 1960's as an artistic style that used geometric shapes to generate optical illusions. Spiro is a charismatic pendant whose frame contains a mass of irregular wood veneer spirals within a matching wood veneer shell. Available with 0-10V or TRIAC dimmable driver (dimmer sold separately).

Shown in matte black / natural cherry
