## Selena Color-Select Bathroom Vanity Light By Quoizel

### Description

The Selena Color-Select Bathroom Vanity Light exemplifies contemporary style. The polished frame is highlighted by bubble glass shades, illuminated by an integrated LED light source for a sparkling effect. Equipped with a three-way color temperature switch (3000K/4000K/5000K), this fixture allows you to easily customize the brightness to your desired setting, ensuring the perfect ambiance for any occasion. A warmer temperature of 3000K gives you a cozy feel, while a cooler temperature of 5000K is ideal for activities that require more attention to detail.

Shown in polished chrome
