Westover Outdoor Pier Light By Quoizel

Description

The clean lines and hand-riveted accents make the Westover lantern collection a modern industrialist's dream. A long rectangular framework provides an unobstructed view of the lantern's sleek interior. The choice of finish further enhances the versatility of this refined collection. The earth black, stainless steel, and western bronze finishes show off clear beveled glass panels while the antique brass and industrial bronze options flaunt seeded glass.

Shown in western bronze / clear beveled
