Olo Double Wall Sconce

By Seed Design

Description

The Olo Double Wall Sconce uses the basic shapes of circles and lines to create a versatile, modern fixture. The round backplate supports a pair of hollow shade with integrated, glare-free LEDs around the rim of the shades. The shades can be rotated 300 degrees, allowing light to be directed wherever it is needed most. Includes a built in touch dimmer on the backplate.

Shown in black / champagne gold
