Suspenders Path Matrix Chandelier with Etched Cylinders

By SONNEMAN - A Way of Light

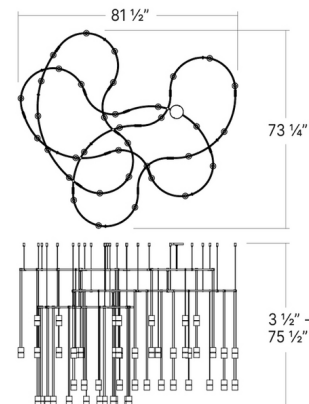

Description

The Suspenders Path Matrix Chandelier with Etched Cylinders embraces the whimsical elegance of organic shapes. The curving, three-tiered frame supports an array of suspended, etched glass cylinders with integrated LED light sources. Each cord can support up to three cylinders and the cord height can be adjusted to create unique configurations.

Shown in satin black / etched glass
