## Core Recessed Spotlight with Light Engine By Tala

### Description

The Core Recessed Spotlight is an architectural lighting fixture that is designed to deliver gallery-grade lighting to your home or workspace. Core is a versatile and functional fixture suitable for a wide variety of uses. Modular for easy installation and adaptability over time. IP20 rating - dry locations only; suitable for bathroom Zone 3 only. The spotlight can be rotated 350 degrees and angled up to 90 degrees. Adjustable Bezel - two magnetic bezel inserts are included for either angled or straight adjustability. Includes light engine in a 2700K or Warm Dim (2000K-3000K) color temperature option with 36 degree beam angle. Equivalent to a 45 watt incandescent.
