The Rugged Muse Portable Table Lamp By Tala

Description

The Rugged Muse Portable Table Lamp is an outdoor, adventure-ready version of Tala's Muse lantern that has been upgraded with a durable acrylic diffuser and water-resistant IP65 rating. The lamp's raw aluminum body is inspired by traditional lanterns and offers a rustic aesthetic. The Rugged Muse includes a Tala Warm Dim bulb (2800K-2000K) which warms in color temperature as the light is dimmed using the integrated rotary dimmer. A built-in, rechargeable battery allows the lamp to be placed wherever its light is needed to create the perfect ambiance. Note: Bulb only replaceable with compatible Tala Muse 12V bulb.
