Mollino Chandelier

By Visual Comfort Signature

Description

The Mollino Chandelier recalls 1930s French sculpture with its tiered shallow bowls in a plaster finish. Chunky chains add further substance and dimension to the design, and the overall aesthetic works well with many interior decor styles. The indirect uplight provides a warm glow for illuminating dining rooms, kitchens, or bedrooms. The 25 inch diameter fixture is damp-rated, and the 32 inch is dry-rated. Note: The 32 and 40 inch diameter fixtures require additional ceiling support due to its weight.
