Laken Articulating Wall Light

By Visual Comfort Signature

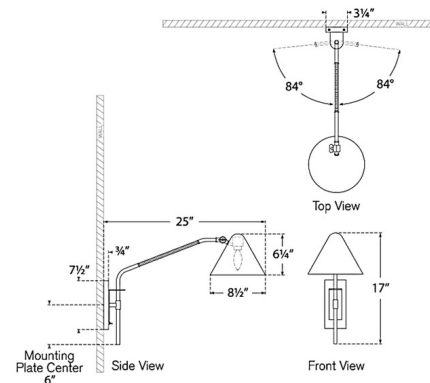

Description

The Laken Articulating Wall Light brings a subtle elegance to your interior space. The mix of materials brings a contrast between farmhouse and industrial. The cone shaped diffuser casts warm light across your room. The arm swings 84 degrees on each side. On/Off toggle switch is located on the back plate. May be used as a plug-in, with included cord and cord covers or hardwired. Note: If hardwiring, fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box.
