Cyrus Articulating Hardwired / Plug-in Wall Light

By Visual Comfort Signature

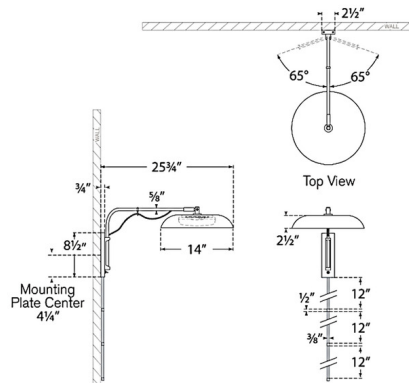

Description

The Cyrus Articulating Hardwired / Plug-in Wall Light adds a clean, modern look to your interior space. The low dome shaped diffuser and bare wire adds a hint of industrialism to your room. Arm swings 65 degrees on each side. May be used as a plug-in, with the included cord and on/off switch on the back plate. Note: Fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box when hardwiring.

Shown in hand-rubbed antique brass / white glass
