Precision Articulating Wall Sconce By Visual Comfort Signature

Description

The Precision Articulating Wall Sconce brings a harmonious mix of light and form to your interior space. A warm glow of light shines through the glass diffuser and highlights the holes along the cylindrical body of the metal shade, creating interesting patterns of illumination and shadows in your space. To adjust the shade loosen the adjustment knobs, adjust to your desired position, then tighten knobs. Touch dimmer is located on the backplate to adjust between high, medium, low, and off settings.
