Olivia Pro Micro Cordless Table Lamp

By Zafferano America

Description

The Olivia Pro Micro Cordless Table Lamp provides an elegant contemporary design in a mini size providing direct illumination. The portable lamp features a die-cast painted aluminum body and a prismatic polycarbonate diffuser. An integrated dimmer has three color temperature selections: 2200K (candlelight), 2700K (warm white), and 3000K (cool white). The light level will correspond to that which was previously set. Light lasts approx. 9 hours; charging time approximately 4.5 hours. Induction charging base and 120V AC Adapter Plug included. To recharge your Olivia Micro table lamp, plug the provided charging base into an outlet and place the lamp on the base. The translucent top will glow red while charging and turn green once the charging cycle is complete. The lamp should be removed from the charging pad when the battery is fully charged.
