Amelie Pro Cordless Wall Light By Zafferano America

 ϵ

Description

The Amelie Pro Cordless Wall Light offers versatile functionality with a sleek, modern silhouette. The lamp's streamlined form includes a rounded base and shade connected by a slender stem for a delicate expression that will complement any decor. Touch on/off dimmable LED table lamp. This Rechargeable Lamp features three color temperatures: 2200K (candlelight) 253 lumens, 2700K (warm white) 300 lumens, and 3000K (cool white) 308 lumens. The Amelie comes with an induction charging base, allowing it to be a lightweight, portable solution to lighting. About 10 hour battery use with a 6 hour charging time. Can be used indoors and outdoors. To recharge your Amelie Pro Wall Light plug the provided charging base into an outlet and place the lamp head on the base. The translucent top will glow red while charging and turn green once the charging cycle is complete. The fully charged lamp may remain on the charging pad without damaging the battery while off. The lamp should not be turned on while on the charging pad.
