Crystal Portable Table Lamp

By Zafferano America

Description

The Crystal Portable Table Lamp brings a simple elegance to your space. Place this light on a dining table for a party, or next to you as you read. To recharge your Crystal table lamp, plug the charging cube provided into an outlet, then plug the USB connector from the charging cradle into the cube. Place the lamp on the charging cradle. The power button will glow red while charging and turn green once the charging cycle is complete. A full charge takes around 6-8 hours. The fully charged lamp may remain on the charging cradle without damaging the battery while the lamp is off. The lamp should not be used while on the charging base. The battery has an overload protection function. Along with a built-in 0 to 100% dimmer, the color temperature can be set to 2200K, 2700K or 3000K (234-251-256 lumens) to set the perfect ambiance for any occasion.
