## Gatsby Outdoor Sofa

By Vondom

### Description

The Gatsby Outdoor Sofa was inspired by the grandeur and sophistication of Art Deco designs with a modern update. The sides and back of the sofa sport a ridged texture evocative of Art Deco light fixtures, while its blocky silhouette displays restraint more commonly seen in modern minimalism. Gatsby is constructed from a polyethylene resin base with seat and back cushions upholstered in acrylic fabric, making it suitable for both indoor and outdoor use.

Shown in white / savane white

### Specifications
