Gatsby Modular Outdoor Sofa & Puff

By Vondom

Description

The Gatsby Large Outdoor Sectional was inspired by the grandeur and sophistication of Art Deco designs with a modern update. The sides and back of the sectional sport a ridged texture evocative of Art Deco light fixtures, while its blocky silhouette displays restraint more commonly seen in modern minimalism. Gatsby is constructed from a polyethylene resin base with seat and back cushions upholstered in acrylic fabric, making it suitable for both indoor and outdoor use. Modular sections can be reconfigured to change the sectional shape.
