By Connubia

### Description

Elevate your space with the stylish New York Swivel Stool. A wide seat and enveloping curved backrest with an upholstered foam cushion fill give the seat a comfortable feel, and the Ekos polyurethane blend fabric offers a leather-like appearance. The metal base is outfitted with a gas-lift to adjust the height and a weighted round base for stability. A metal foot rest on the post provides additional comfort. Note: This is a discontinued finish/color combination and limited to quantity on hand.
