Iridium Pendant By Blackjack Lighting

Description

The Iridium Pendant is engineered for superior illumination and striking aesthetics. Custom light guides transform Iridium into a very functional fixture with diffused illumination. Integrated LED light source with driver located in canopy housing. Hang straight swivel attaches to top of stem. Includes 42 inch length adjustable stem kit and 12 foot wire length. Fixture can accept up to four additional stem sections for a maximum stem length of 138 inches. Dimmable with a TRIAC, electronic low voltage (ELV) or 0-10V dimmer, sold separately.
