## Broche Egg Semi Flush Ceiling Light

By Crystorama

### Description

The Broche Egg Semi Flush Ceiling Light finds inspiration in the splendor of the natural world. The upward-sweeping vines give it an enchanted charm that perfectly embodies the spirit of the outdoors. Hand-painted wrought iron leaves are delicately wrapped around the frame of this fixture. From the elaborate leaves to the organic vines, the combination of textures creates a visual feast with lots of eye-catching details and gives the iron a cozy, welcoming glow.
