Cascata Long Linear Chandelier

By CTO Lighting

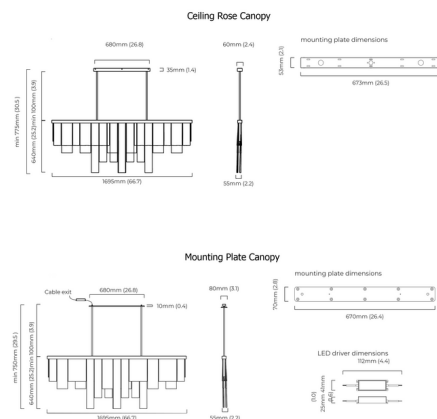

Description

The Cascata Long Linear Chandelier is a uniquely sculptural fixture thanks to its cascading sheets of wavy kiln glass. The chandelier's frame houses an integrated LED light source which shines downwards through the undulating glass to create a dazzling display. Available with Ceiling Rose canopy (with LED driver inside) or flush Mounting Plate (with remote LED driver). Note: Due to the weight of the fixture, additional ceiling support is required. Requires narrow junction box.

Shown in satin brass / wavy kiln glass
