Margot Chest

By Currey and Company

Description

Made of white-oak solids and veneers in a light oak finish, the Margot Natural Oak Chest was inspired by the casual styleof California's coastal communities. A number of outstanding features include a full chamfered profile edge on the face frame, and a multi-dimensional angled pattern on the drawers created with white oak crown veneers. There are generous-sized drawers with beige velvet liners, and the drawers are push to open and close.
