Ruban Accent Table

By Currey and Company

Description

The masculine design of the Ruban Accent Table has a number of special attributes that include the rough luxe feel of the curling metal ribbon, and the contrasting white marble base and top. The ribbon, which is made of cast aluminum in an antique brass finish, rises from the stone base to hold the thin white top in place. The natural veining in the stone will make each piece unique.

Shown in natural / antique brass
