Freya Accent Table

By Currey and Company

Description

The Freya Accent Table illustrates how artful nature can be. Made of Purple Breccia marble, the complex patterning of the tray top makes this a natural focal point for any spot in a room. The colors that make this stone so special will vary greatly from pinkish-orange hues to yellows, each with the purple veining that gives the marble its name. The stainless steel frame is in an antique brass finish.

Shown in antique brass / natural
