Edelmar Table Lamp

By Currey & Company

Description

The contemporary shape of the Edelmar Table Lamp is sleek, but the mix of materials composing it is complex. The body is made of black marble cinched in the middle by a brass ring that rises from an optic crystal base. Adding to the intricacy of the design is the knife-pleated off-white shantung shade. An optic crystal finial completes the overall composition. 3-way turn knob.

Shown in white / clear / natural brass / off-white linen
