Laconia Table Lamp

By Currey and Company

Description

The Laconia Table Lamp is a luminous creation with a lozenge-shaped body made of light blue glass sitting atop an optic crystal base. The hardware is equally brilliant in a polished nickel finish, and a round optic crystal finial tops off the creation. This pale blue lamp is narrow, so it is a great choice for tables or cabinets without large or deep top surface spaces.

Shown in light blue / off-white linen
