La Gravite Mini Table Lamp

By Currey & Company

Description

The La Gravite Mini Table Lamp was inspired by an antique. The simple shapes with Art Deco leanings give the small lamp a powerful profile. The stainless steel base and body are covered in a brass finish, and the domed shade is made of pure alabaster. Though the materials contrast significantly when the lights are off; when on, the illumination warms the dome to be just as golden as the metal. On/Off Switch on Cord

Shown in brass / alabaster

Specifications
