Maitake Table Lamp

By Currey and Company

Description

The Maitake Dark Blue Table Lamp is an artisanal wonder covered with sprouting mushrooms that have been shaped and applied by hand. The dark blue reactive glaze applied to the dark clay ceramic left the outer edges of the mushrooms uncovered for added interest. The implied base has been hammered for greater texture. The navy lamp was made by a community of talented women artisans who live at the border of Burma and Thailand.

Shown in dark blue / off-white linen
