Minnows Table Lamp

By Currey & Company

Description

The Minnows Table Lamp is swimming with personality, not merely from the streaking fish-like brush strokes on its navy and beige ceramic surface, but from the crackle finish applied to the beige background beneath them. A flared empire shade adds to the Asian feel of this design. Because this lamp is hand-painted, the patterning will vary from piece to piece.Switch Details- On/off switch on cordCord- 6 ft Clear Silver
