## Casimer Table Lamp By Currey and Company

### Description

The Casimer Table Lamp is a hard-won composition, as water hyacinth is wrapped around wires that create an orb form and washed in black to create depth. The wash soaks into the material more in some spots than in others to create incredible texture. The black base and hardware echoes the darker tones in the natural material, and the empire shade draws out the lighter tones. Cord: 6' Clear Silver Switch Details: 3-Way Turn Knob on socket

Shown in black / natural linen
