Cyrus Table Lamp

By Currey and Company

Description

The Cyrus Table Lamp has a Japanese-lantern shape that was formed when strands of bamboo were split, polished, and tied in place with thinner strips. The light/dark interplay that brings the lamp interest is inherent in the natural material. The open weave with spacing between the reeds brings the brown table lamp an uptick in texture. Cord: 6' Clear SilverSwitch Details: 3-Way Turn Knob on socket

Shown in natural / natural linen
