Musa Floor Lamp

By Currey & Company

Description

A true work of art, the Musa Floor Lamp is realized through a complex, multi-hour process. The three stylized kelp leaves are undulant as if they are flowing with the movement of the ocean, an organic treatment that is difficult to achieve in metal. These swells, along with the veins and pockmarks that bring the leaves their personality, are hand-hammered by artisans. This gold floor lamp reflects ambient light that makes it an illuminated sculpture rising from a black granite base.Cord: 11' Clear SilverSwitch Details: Foot Switch
