## Liquid Chandelier

By Currey and Company

### Description

From the Sasha Bikoff Collection, the Liquid Gold Chandelier lives up to its name, as the brass from which it is made seems to be liquifying as it drips from the ring that holds the bulbs. Living up to Bikoff's reputation of designing products that add bling to a space, this new addition does just that. The luminous gold chandelier hangs from aircraft cable. Adjustable Height: 30 inch to 148 inch Canopy: 1 inch h x 8 inch dia. Cord: 13' Clear Silver

Shown in polished brass / clear
