Polyhedron Small Pendant

By Currey and Company

Description

The name of the Polyhedron Pendant pays homage to its triangular panes of white glass pieced together between antique brass delineations. Though the glass looks uniform when the illumination warms it, there are subtle drifts of milkier white in some spots than others, which adds a bit of texture to this geometric design. Cord: 10' Clear SilverChain: 6' Antique Brass Canopy: 1 inch h x 6 inch dia.

Shown in antique brass / white
