## Panopolis Pendant

By Currey & Company

### Description

The Panopolis White Pendant is created using a painstaking process whereby artisans wrap individual thin strips of metal around rings that are spaced evenly to form a textural globe. The spaces between the wrapped tiers and the open bottom allow more light to filter through. This orb pendant will cast powerful patterns onto surrounding walls. Adjustable Height: 26 inch to 92.5 inch Chain: 6' White Canopy: 1 inch h x 6 inch dia.
